

# DC COMBINER BOX

**Product Size:**  
**565\*470\*170mm**

**Energize Your Life:**  
**Optimized for Greater Battery Capacity!**  
**IP65 indoor/outdoor use**

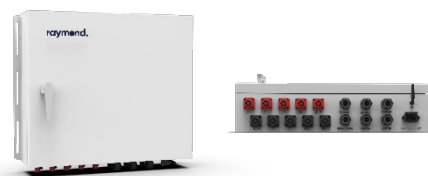

# FACTS & FIGURES

# DC Combiner Box

IP65 | 565\*470\*170 mm

## Technical Specifications

Product Type	DC Combiner Box
Power Supply *	110/230V or Backup Battery
Number of Strings for DC Input	3
Number of Strings for DC Output	2
Current of DC(B+/B-)	80A
Current of DC(P+/P-)	160A
Number of Strings for CAN Port adapted to PCS	1
Number of Strings for RS485 Port adapted to PCS	1
Number of Strings for CAN Port adapted to Batteries	8
Number of Strings for RS486 Port adapted to Batteries	1
Number of Strings for Ethernet	1
Operation Temperature	-20~60°C
Storage Temperature	-10~45°C
WIFI Function	Yes
WIFI Frequency Range	2400MHz~2483MHz
Dimension(W*H*D)	565*470*170 mm
Weight	15kg
IP Rating	IP 65
Case Material	Metal
Warranty	3 years
Color	White
Installation	Wall Mounting
